

OneDigital

Workshop 1.

Measuring impact on end
learners

Purpose of this workshop

- To explore different ways of measuring impact on end learners
- To share tools and what's worked
- To be honest about some of the challenges

Measuring Impacts on End Learners

- **Irene Warner-Mackintosh – Mhor Collective/UWS**
- **Tracy Riddell - RNIB**
- **Sara Skare – Leonard Cheshire**
- **Agnieszka Dennis – Leonard Cheshire**

Group discussion

- Why are you measuring impact on learners?
- How have you successfully collected information from learners?
- So what? What is the value of the evaluation work and how do you use it?
- On flipchart capture:
 - Methods/approaches
 - Tools
 - Scales
 - Question sets etc.
